

Guest Lecture Attendance

In accordance with Study Plan 2017, MA students are required to earn 1 ECTS by attending three guest lectures hosted (or co-hosted) by academic staff in the English department. Speakers must be from outside UniBe and it is not permissible to claim a guest lecture which is already part of a lecture or seminar you are already taking. Please keep a copy of this form and submit the signed original to your study counsellor once you have completed all three guest lectures.

Complete the form in full (including host name) before approaching the lecture host for just their signature. This should be done immediately after the lecture and when any Q&A has finished.
