

Recording Devices – English Department

The Department of English provides a variety of recording devices and microphones to assist the linguistic fieldwork of students and staff. To borrow a device, make an appointment with the responsible student assistant to come by the Language and Linguistic student assistants' office (B284). A CHF 50.- deposit is required when borrowing a device. If you are unsure which device you need, the student assistants can help you figure out which device fits your needs. This is the list of available devices:
